

## RFM Series Wallmount Cabinets

R. F. Mote Wall Mount Cabinets are available in various heights and are offered in 30" & 24" widths. all c/w lockable, smoked acrylic front doors and adjustable 19" EIA mounting rails. To further enhance cabinet space, a 6" extender bracket can be installed.

All wall mount cabinets are hinged with left-hand hinges and pivot off the wall to allow easy access to the rear of the cabinet. right-hand hinges are available, if required. Fans can be added for additional cooling.

Where limited space is an issue, Low Profile design wall mount cabinets offer a solution. Equipment is mounted vertically up to 26" deep within a 4U or 6U rack space enclosure. Cable entry is provided in the top and bottom of the units and is also achieved through the open back of the unit.

Standard colour for all RFM Series Wall Mount Cabinet models is all black. Upon request, custom colours and sizes available.
